

OVER BATTEN DRY FIX VALLEY TROUGHS

30 YEAR GUARANTEE

Over Batten Dry Fix Valley Troughs made from GRP, providing secure drainage for inclined roof valleys. These troughs create a neat close-cut appearance on both new build and refurbishment projects.

Features and Benefits

- Up to half the cost and time of traditional lead and mortared valley installation
- Light in weight and easy to handle
- UV Resistant
- No harmful run-off or staining
- Dry fix products eliminate the mortar installation and maintenance issues
